Join the fun in this class as we experiment with reactions to various products we use every day. Come join this fun filled class of experiments. This class involves hands on experiments teacher directed and with experiments done by children. Children are required to wear Safety goggles at all times which will be provided. Some experiments include flubber, silly putty, superballs, tye-dye, volcano's, geysers and invisible ink.

Please let us know when you register if your child is allergic to certain products. Safety glasses are available and **MUST** be worn daily.

Please bring a snack everyday.

Please return registration to the Park & Rec Dept., 201 Killingworth Turnpike, Clinton, CT 06413
